Please note that a total of eleven (11) each "E" racks have been received from the contractor. However, the contractor's latest delivery schedule CMCC151X5.1253 dated 15 October 1958, lists all twelve (12) "E" racks as having been delivered. This fact has been made known to [redacted] of R and W and he agrees that only eleven (11) each "E" racks have been delivered to Customer C.
